bea-fon SL470

Mobile communication has never been so easy!

The SL470 is a basic phone without disturbing gadgets. That certain something, the included cradle makes charging easy and comfortable. The well-thought-out phone features, such as extra-large buttons, a highcontrast TFT display, or extra loud ringtone supports the users at the best possible rate.

The status LEDs on the front inform you about missed call or unread messages.

More security provides the integrated SOS emergency button on the SL470 in everyday life. When pressed, the SL470 automatically sends an emergency SMS and by that time a further emergency call will be forwarded to 5 predefined numbers.
